

Before you rush to the ER, Call your Primary Care Office or 844-IHA-DOCS first!

You can call us 24 hours a day, 7 days a week!

PRIMARY CARE

For care and treatment of routine or immediate needs that are not life-threatening

For all medical concerns contact your primary care provider first. Your primary care provider is the most familiar with your medical history and provides routine or immediate care when it is not an emergency

- Allergies
- Animal or Insect Bite
- Asthma
- Back Pain
- Cold & Flu Symptoms
- Diabetes
- Ear Pain
- Gastrointestinal or Stomach issues
- Headaches
- High Blood Pressure
- Immunizations or Shots
- Pink Eye
- Preventive Care
- Rashes
- Routine Well Visits
- Sore Throat/ Cough
- Urinary Tract Infection
- Women's Health

URGENT CARE

For immediate but not life-threatening needs, when your Primary Care provider is unavailable

Call your Primary Care Office first if you believe you should go to an Urgent Care. Urgent care has evening and weekend hours when your primary care provider may not be available.

- Allergic Reaction
- Animal or Insect Bite
- Asthma Attack
- Back Pain
- Broken Bones
- Cold and Flu Symptoms
- Ear Pain
- Minor Head Injuries
- Pink Eye
- Rashes
- Sore Throat/ Cough
- Sprains and Strains
- Stitches
- Moderate Stomach Pain
- Tooth Pain
- Urinary Tract Infection

EMERGENCY ROOM

**For any life or death emergency or urgent after-hours needs
OPEN 24/7**

Call your Primary Care Office first if you believe you should go to the Emergency Room. You should follow up with your primary care provider after a visit to an emergency room.

- Severe Asthma Attack
- Severe Broken Bones
- Severe Burns
- Severe Chest Pain
- Convulsions or Seizures
- Drug Overdose or Poisoning
- Bad Falls (Seniors)
- High Fever
- Fever in Newborn (under 2 months of age)
- Severe Head, Neck or Back Injury
- Loss of Consciousness
- Rapid Bleeding
- Severe Stomach Pain
- Heart Attack Symptoms (Chest Pain, Cold Sweat, Heartburn, Dizziness, Shortness of Breath)
- Stroke Symptoms (Sudden Weakness, Dizziness or Speech Problems)

When experiencing a life-threatening emergency, call 911.
