

Practice Updates

In order to minimize your risk of contracting COVID-19, IHA is consolidating resources to better protect our patients. Together, we can reduce the risk of exposure to the virus and help you and your family remain healthy and safe.

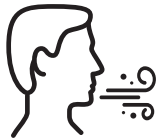

I need care for:

Fever

Dry cough

Shortness of breath

Illness or injury that **does not include fever, dry cough, shortness of breath** such as:

- Nausea, vomiting or diarrhea
- Ear infection
- Laceration
- Minor injuries
- Bumps and cuts
- Urinary Tract Infection
- Skin Infection

Appointments with no symptoms of fever or upper respiratory illness, including:

- Simple Sick Visits
- Preventive Care
- Vaccinations
- Lab work
- Med checks

No walk-ins

Go to:

STEP 1

www.IHAcares.com/screening for a FREE COVID-19 Screening

STEP 2

Patients who screen positive will be directed to a dedicated COVID-19 testing center.

Others may be asked to proceed to a Fever/Upper Respiratory Illness Clinic.
