

Meet the Providers

IHA Pediatric Healthcare – Canton offers free monthly group meetings for expectant parents and potential new parents. One of our physicians and one of our nurse practitioners will teach expecting parents about our practice philosophy, office hours, and other practical matters. The sessions typically end with a time for participants to ask one-on-one questions of our providers and get answers to whatever questions they may have. Sessions are informational for first-time parents as well as veteran parents.

Sessions are offered the first Thursday of every month and begin at 5:30 pm.
